### JULY 2021

### -BUZZWORTHY-

#### Happy 4th of July

You've made your BBQ plans, the flags are out and you have patriotic desert recipes pinned. But, don't forget an important ingredient in your 4th of July celebrations - helping our children understand the national importance of this day. For small children, some of the concepts can be difficult. You can start by discussing what is Independence Day and why we celebrate the signing of the Declaration of Independence on July 4th, 1776. On Friday, July 2, we will be throwing our own birthday bash for America. The kiddos will all be wearing the special shirts we have made throughout the week. We also will be having a special lunch and treats. No birthday is complete without a cake. The kids will all get to celebrate the birthday of America with their friends and teachers.

#### Friendship Day on July 30th

True friendship cannot be found, it has to be earned. Our families and the friendships we have created is the most valuable thing for all of us here at First Steps Early Childhood Learning Center because we have earned it. Happy Friendship Day! In honor of Friendship Day we will be making a fruit salad. Each kiddo can bring in a piece of their favorite fruit to add to the Friendship Salad.

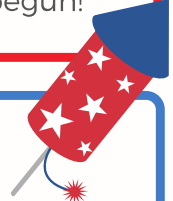

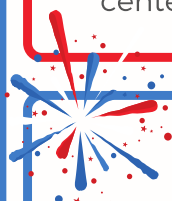

### -REMINDERS-

If you would like your child to use sun screen/bug spray we are able to apply here at the center with a signed medical consent form.

Happy July 4th. In observance, our center will be closed on Monday, July 5th.

Summer is in full swing here at the center but the fun has just begun!
